## Initiative's Goals for Jefferson County

### Cultivate Empathy

Leverage the power of art to foster a personal connection with those impacted by the opioid crisis, humanizing their experiences and struggles.

### Reframe the Conversation

Through conversation and sharing our experiences, we learn that there are different paths to addiction and in recovery. Our hope is to open doors to support people on their paths to recovery.

### Strengthen Community Ties

Encourage the development of meaningful relationships among participants, laying the groundwork for ongoing collaboration and support in combating stigma.

# BHC Initiative: Host Community Conversations on Stigma

## SCHR's Role and Invitation

### Role

We appreciate your engagement through the participation, support, and promotion of these sessions within your networks.

### Invitation

We invite you to use this opportunity to lead by example, enhancing our community's capacity to address behavioral health challenges with empathy and action.

**Together, we can create a more informed,  
compassionate community that is set up  
to support recovery and break down barriers of stigma.**

# Create South County Services Overview?

We decided an informational overview of the various relevant services available in Quilcene and Brinnon be useful.

## Today's Work:

- Clarify the content/contacts a South County specific resource card should include.
- [Give us your input now!](#)

# Update: JCPH's Harm Reduction Program

## Jefferson County Public Health Harm Reduction / Syringe Exchange Program

Anonymous and confidential walk-in syringe exchange services.

### 615 Sheridan Street in Port Townsend

Services include:

Free sterile syringes in exchange for used syringes, secondary exchange, safer injecting supplies, glass pipes, naloxone, hygiene supplies, and healthcare referrals. Human immunodeficiency virus (HIV) and hepatitis testing is available by appointment.

### Walk-in Hours:

**M 2-4p, W 11a-1p, F 2-4p**

## New Mobile Service In South County!

- The van is set up at Quilcene during Food Bank events on Wednesdays, providing harm reduction supplies and services. Potential rotating schedule in Port Hadlock and Brinnon.
- Planning weekly presence in Quilcene at the JCPH clinic space.

## Ways BHC Members Can Engage?

Help spread the word about our expanding services, brainstorm service locations and suggest/collaborate on outreach events as we set them up.

## Naloxone Training, Emergency Boxes, and Distribution

**Given:** Brinnon Community Center Senior Leadership Meeting, Quilcene Community Center, The Nest, Jefferson Teen Center, Olympic Educational Service District, Port Townsend School District, Quilcene School Board, OlyCap, Dove House, Jefferson County Library, Port Townsend Library, The Port of Port Townsend, Centrum, Jefferson County Courts, Jefferson County Board of Health, WA Department of Health, Port Townsend Farmers Market, Thing Music Festival, Med Takeback, and Tri Area Community Center

**Emergency Boxes / Distribution:** Quilcene mid-August, the naloxone distribution for all currently mounted 8 boxes is 304. Recovery Café has distributed the most with 120, followed by 64 at Hadlock Library and 60 at Quilcene FD. PT Library has 20 boxes. Brinnon FD, and the three community centers (Brinnon, Quilcene, Tri Area) that went up more recently are all at 10 boxes. We expect an increase as folks learn about the resource.

# BHC Initiative: Host Community Conversations to Explore Stigma

## Event Dates:

June ?10-14?, 2024

## Facilitator:

**Tedra Cobb**, through the HRSA-funded UR Medicine Recovery Center of Excellence

## Purpose:

**To engage the BHC and the wider community in critical conversations and training to explore SUD stigma.**

## South County Conversation?

### Where to Host?

Open to ideas! Is there another event we could piggy-back with?

### Timing for Community Conversation & Train-the-Trainer event

We will have Tedra Cobb for only 2 days in Jefferson County. What day works in South County? Then, is there interest in us providing transport to/from South County to a Train the trainer event somewhere in the County's North end?

### Next Steps?

# Update: Recruiting Business and Community Leaders to SCHR

BHC

Strengthen Jefferson County : A Call to Business and Community Leaders

## Join Our Collaborative Effort for Community Well-being

The South County Harm Reduction (SCHR) Table, facilitated by the Jefferson County Behavioral Health Consortium (BHC), is a table of diverse stakeholders—spanning health institutions, mental health services, local hospitals, therapeutic courts, substance use counseling, emergency services, and law enforcement—united with a singular mission: to enhance the health and safety of our communities.

For three years, relevant BHC Members have been meeting monthly with key figures from South County, including school superintendents from Brinnon and Quilcene, EMS representatives, and the Sheriff. Our aim? To forge a safer, healthier future for our communities through dedicated efforts in harm reduction.

## What is Harm Reduction?

Harm reduction (HR) is the SCHR table's guiding principle. We are implementing strategies to minimize health and social risks, embracing a range of safe practices from wearing seat belts and bike helmets to broader public health initiatives like ensuring Naloxone, a life-saving medication that can reverse opioid overdose, is available throughout South County. Harm reduction is about saving lives, curbing the spread of illness, and supporting those in need.

## Partnership for Progress

Our achievements are a testament to what we can accomplish together:

- **Empowered Teens Coalition** In collaboration with Jefferson County Public Health (JCPH), we've fostered strong partnerships with local schools, nurturing a generation that's informed, resilient, and empowered.

**The South County Harm Reduction Table has drafted a recruitment flyer content which will be finalized in the coming weeks.**

Send your edits/insights on [this draft](#) to Lori.
