

Courage to Change's Sky Valley Transportation Program is dedicated to improving the lives of underserved individuals in our community by providing transportation to essential services.

**We are seeking financial support to sustain this program for the next three months.**

### **Program Overview**

Our transportation assistance program is crucial for individuals who need reliable transportation between Monroe and the Index/Sky Valley area for critical needs such as access medical appointments, job opportunities, and other essential services. The program is newly launched and increasingly utilized.

**Total Monthly Program Expenses: \$12,000**

**Current Financial Status:** Cumulative Remaining Funds: \$325

### **Funding Request**

To ensure the continuation and effectiveness of our transportation assistance program, we searching for **funding to cover three months of program operation at a cost of \$36,000**. This amount will cover the program for the next three months, enabling us to maintain our services without interruption.

### **Your support will:**

- **Ensure Program Continuity** and prevent any disruption in the transportation services that are vital to those in need.
- **Provide Essential Access** so individuals can continue accessing crucial medical care, employment opportunities, and other essential services.
- **Supports community needs** by funding a newly established program that is already making a significant impact in the community.

We kindly request your support to sustain our transportation assistance program during this critical phase of its development. Your contribution will ensure that our program continues to deliver essential services to those who rely on it, and will help us build a strong foundation for future success. Thank you for considering our request and for your commitment to supporting vital community services.

Sincerely,
